“Build Your Own Sandwich” lunch with all the trimmings!

Immediately following the Specialty BIS judging and photos

Our Specialty POTLUCK is as popular as ever. Again we will be providing a great lunch for exhibitors and friends, but we need your help to make it happen. We need volunteers to help with pre-planning and coordination before the day of the event, setting up after the Specialty event, and clean-up after the luncheon. In addition, we need those who plan to attend bring food and beverage items for the luncheon as listed below.

I will volunteer for:
